A LOFT TO LOVE IN THE TRENDY GREENCITY DISTRICT

<https://clubproperty.com>

This top-materialized loft in the historic industrial charm of the “Old Spinning Mill” impresses with its unique sense of space. The almost floor-to-ceiling windows and the interesting orientation provide plenty of light and a typical loft atmosphere. The centrally located entrance area of this unique property houses spacious and modern built-in wardrobes with generous storage space. The heart of the home is the light-flooded living/working area with an eastern orientation. The adjacent open kitchen with bright, handleless fronts forms the central place for a dinner for two or with friends. An attractive bathroom with a shower and a WC with
