## BULGARI LIGHTHOUSE

<https://clubproperty.com>

We are delighted to present this exquisite five-bedroom penthouse at Bulgari Lighthouse, an icon of architecture and waterfront luxury that is being developed on Jumeirah Bay Island. This high-rise tower will rise above the tip of the —tail— of the seahorse-shaped island, offering a unique view of the sea and the central Dubai skyline. The property is designed by Antonio Citterio Patricia Viel, the design team who are responsible for designing the Bulgari Resort and Residences. It embodies the same refined aesthetic, with floor plates inspired by the flow of the sea and awnings designed like coral covering the balconies.
