DANUBEFLATS PENTHOUSE

<https://clubproperty.com>

It's time to redefine living quality, set standards in terms of quality of life, architecture, and service. Outstanding architecture that captivates at first sight and, on 48 floors, delivers exactly what it promises from the outside. All of this is now emerging in Vienna, right on the Danube: with Austria's tallest residential tower. Let the world be at your feet! The compact 2-bedroom apartments are perfect as starter homes as well as for investment purposes. For those who don't need a lot of space but still don't want to compromise on top comfort, first-class services, and exclusive amenities, this is
