Located in the heart of the 7th arrondissement, at a sought-after address in a refined 19th century building with elevator, this apartment, entirely renovated and redesigned by architect ?Olivier Gay?, offers 147 m² Carrez and 3.17 m high ceilings. On the third floor, between the street and a large paved courtyard planted with trees, with an east/west exposure, this property will seduce you with its elegance, character and sunshine. The egg-shaped entrance sets the tone for the renovation and the spirit of the place, with its colorful Versailles parquet from Bisazza, and its singular ceiling, imagined by the architect. Opposite
