<https://clubproperty.com>

La Condamine,  
Monaco

Le Stella provides a distinct touch to the city’s historical center and shopping district, as it has since its inauguration in August 2018. This exquisite home is perfect for individuals or families searching for contemporary living spaces. ‘Le Stella’ is a mixed-use complex with 99 flats and two homes, as well as two stories for parking spaces and commercial and office areas. The building’s design was molded by ‘Le Simona.’ As a result, the majority of the units are duplexes, each with its own modern architectural style.
