<https://clubproperty.com>

INCREDIBLE CARIBBEAN VIEWS FROM A MODERN HILLTOP HOME
Built to absorb the views, this hilltop home has been thoughtfully designed to capture all of Cacique's natural beauty. From the comfort of the private patio, with covered pool and fire pit, enjoy the sunsets and views of the marinas in the distance. Cacique is an adorable town located in the province of Colón, along the Caribbean coast of Panama. Still authentic and seemingly unexploited by mas tourism, there are ample beaches to explore. White Caribbean sand and crystal clear water are commonly found along the reef lined shores of the area.
